

POLIPLAST D'ANGELO

SINCE 1960

Italian Fabrics

BUSINESS PRESENTATION

Company History

In 1960, the D'Angelo family funded in Italy one of the first commercial distribution business of imitation leather and fabrics, thus the "Poliplast Dangelo" was born.

After working for more than 60 years with marine equipments , furniture, upholsterysuppliers, covering materials, Poliplast Dangelo srl is one of the leading companies in the sector. Benefiting from their skilled workers, the Company offers High Specialized products & accessories for boat industries, architects, upholsteries specialized in interior/exterior of yachts , canopies and coverings, ***apartment, villas, hotels and residences.***

Today the third generation of the family continues the business maintaining the same vigor and traditions but with an eye to the future and always as a reference point for the market.

Our services

- 
- The background of the slide features a light gray illustration. It includes two large commercial airplanes in flight, one on the left and one on the right. In the center, there is a globe. To the left of the globe is a forklift. To the right of the globe is a large industrial machine, possibly a press or extruder, with a stack of finished products in front of it. The entire background is semi-transparent, allowing the text to be clearly visible.
- National "Express" shipments
 - International shipments
 - Processing (lamination, electro-welding, fireproofing, etc)
 - Consultancy for the creation of custom products
 - Study and technical analysis of new products
 - Commercial support
